

## Care Mission Volunteer Servant Application

*We regret that if you are disabled or under a doctor's care, which restricts you from work, then you can not serve here. However, there are other ways you can support what God is doing here, just ask us how.*

### Basic Polices and Guidelines

Pray as you work. Pray for those we serve, those who are serving and those who have donated items and funding to this ministry. Pray for an anointing on the food and clothes that are distributed.

Whenever you are here, you are not only representing us, but more importantly you are representing Christ. Be aware that people are watching, and your actions may be all the Christ they'll see.

We all have things we prefer to do, however, there are times we will ask you to do something that needs to be done. Unless you physically can not, please do what needs to be done, not just what you prefer to do. This is being a servant not just a volunteer.

No smoking permitted on Care Mission property.

No shopping permitted from the storage or sorting area.

No shopping during your time of volunteering. Shop before or after you serve and from the sales floor only.

This sort of ministry isn't for everybody. If you resist authority or don't work well with others, then we may not be for you. **So pray before you commit.**
